I've looked at your advertisement and there is no information about the prices. Could you please send them to me? Also, I would like to know if you have an intensive program.

Write an article for Ink Magazine about your **best high school class trip**.
Include the following:

- Where you went and how you got there.
- A description of the place, the people and the weather.
- The activities you did and which one you liked the most.

My best high school trip was 2 years ago. We went to Santa Marta and we went there by plane. We stayed in a very basic but nice hostel in Taganga called, Oso Peresoso. Most of the guests were foreigners and they were very friendly.

The weather was great. It was sunny every day. The best part of our trip was when we spent the night on the beach. We drank beer and went swimming at night. Then we made a fire and looked at the beautiful night sky. It was fantastic.
