Writing Task (24 points)

Choose **one** of the topics below and write an essay of **at least 250 words**. Support your answer with appropriate examples and evidence.

1.

Some people believe that advertising toys to children should be banned because of the financial and social pressures it puts on both the children and their parents. Others believe this kind of advertising is necessary to show products to potential customers.

You should examine both sides of the argument and give your opinion.

2.

Some people believe there should be more government investment in scientific research, while others believe there are more important areas to invest in.

You should examine both sides of the argument and give your opinion.

Use the space on this page for planning; this will not be evaluated.
